Available in both 100kWh and 215kWh capacities, this modular system integrates power modules, batteries, cooling, fire protection, and environment monitoring in a compact outdoor cabinet.

The air-cooled battery cabinet is a distributed energy storage system for industrial and commercial applications. It can store electricity converted from solar, wind and other renewable energy ...

Our EVB 50kW/115kWh air cooling energy storage system cabinet is essential in commercial and industrial energy storage solution for optimizing energy usage and ensuring uninterrupted ...

Designed for harsh environments and seamless integration, this IP54-rated solution features a 105KW bi-directional PCS, optional air- or liquid-cooled thermal management, and parallel ...

These cabinets are ideal for outdoor base stations in remote, mountainous, or desert regions, especially where grid power is absent, unstable, or costly. They are also used for border ...

The Air-Cooled 100KWh Outdoor Cabinet Series C& I Energy Storage System features an integrated design that combines batteries, BMS, EMS, ...

The Sunway 50kW/100kWh Outdoor Energy Storage System integrates high-performance lithium iron phosphate batteries, modular PCS, intelligent energy management, and a robust power ...

The Sunway 50kW/100kWh Outdoor Energy Storage System integrates high-performance lithium iron phosphate batteries, modular PCS, intelligent ...

Our system is designed to enhance energy density and thermal performance, accelerate installation times,

engineered for optimal serviceability, and minimizing capital expenditures ...

The Air-Cooled 100KWh Outdoor Cabinet Series C& I Energy Storage System features an integrated design that combines batteries, BMS, EMS, modular inverter, and fire protection ...

Outdoor Cabinet Air Cooling Energy Storage System ... Data above is recommended and the picture is only for battery effect display, Leoch reserve the final right of ...

The Air-cooled C& I (Commercial and Industrial) Battery Energy Storage System (BESS) Cabinet is a versatile energy storage solution designed for a wide range of users across various ...
