---

This section provides an overview for uninterruptible power supplies (ups) as well as their applications and principles. Also, please take a look at the list ...

The 3kVA line interactive tower UPS provides pure sine wave power to support critical electronics during power disruptions. It comes with NEMA L5-30P input, 8 NEMA 5-15R and 2 NEMA 5 ...

Active Power designs and manufactures battery-free flywheel uninterruptible power supply (UPS) systems and energy storage products for mission-critical power applications worldwide from its ...

Intelligent and efficient network power protection from entry level to scalable runtime. Ideal UPS for servers, point-of-sale, routers, switches, hubs and other ...

Active Power designs and manufactures battery-free flywheel uninterruptible power supply (UPS) systems and energy storage products for mission ...

This section provides an overview for uninterruptible power supplies (ups) as well as their applications and principles. Also, please take a look at the list of 68 uninterruptible power ...

Shop all products from American Power Conversion. Fast, free and DDP shipping options available. Get free design tools and engineering support.

An uninterruptible power supply, or UPS, is basically a surge protector, battery, and power inverter -- which turns the battery"s stored ...

Explore reliable APC UPS Systems - featuring high-capacity solutions, expert support, and tailored services to protect your power needs.

With 10 outlets and 2 USB charging port, this desktop UPS (uninterruptible power supply) provides seamless battery power to connected electronics. The 600w capacity is ideal for ...

Power protection and management solutions from home to data center to industrial environments.

An uninterruptible power supply, or UPS, is basically a surge protector, battery, and power inverter -- which turns the battery"s stored energy into usable power -- in one.

The APC Back-UPS PRO series of Uninterruptible Power Supply are the perfect battery backup for computer, external harddrive and routers to protect your data and keep you ...
