What are the different types of high voltage breakers?

We classify our high voltage breakers primarily into: live tanks and disconnecting circuit breakers (DCBs); and dead tanks and dead tank compact (DTC). Both categories include Blue products which use zero F-gases. Let's take a closer look on our circuit breakers!

What is a high voltage circuit breaker?

A high voltage circuit breaker is an electrical device designed to protect high voltage power systems by interrupting the flow of electricity during fault conditions, such as short circuits or overloads. It operates by detecting abnormal current levels and quickly opening the circuit to prevent damage to equipment and ensure safety.

Where can I find a high-voltage circuit breaker?

Please refer to our Privacy Policy for details on how DirectIndustry processes your personal data. Find your high-voltage circuit breaker easily amongst the 67 products from the leading brands (Allen Bradley, Redler Technologies, Pomanique, ...) on DirectIndustry, the industry specialist for your professional purchases.

What types of circuit breakers are available?

Circuit breakers, Thermal circuit breakers, Thermal magnetic circuit breakers and other passive components from industry-leading manufacturers, in stock and ready to ship today. The right components for tomorrow's success.

Hitachi Energy offers a comprehensive range of high-voltage switchgear and breaker solutions up to 1200 kilovolts AC and 1100 kilovolts DC.

Our products include a range of live tank circuit breakers (up to 800 kV), dead tank circuit breakers (up to 550 kV), as well as hybrid and compact ...

Explore our gas-insulated high-voltage circuit breakers designed for grids, urban, offshore, and renewable energy projects. Reliable and innovative solutions.

We offer the largest selection in the industry, from the latest NSXm Moulded Case Circuit Breaker (MCCB) to the high-current Masterpact Air Circuit Breaker (ACB) range. Our products deliver ...

Buy Circuit Breakers. Farnell&#174; UK offers fast quotes, same day dispatch, fast delivery, wide inventory, datasheets & technical support.

With almost 100 years of switchgear engineering experience, we are one of the UK's leading suppliers and technical service providers for 11kV switchgear. We also supply and support ...

We supply & support all types of HV/MV switchgear auxiliary equipment and hold the UK's largest stock of switchgear spare parts & components, covering all common UK manufactured types ...

Find your high-voltage circuit breaker easily amongst the 58 products from the leading brands (Rockwell Automation, ABB, Redler Technologies, ...) on DirectIndustry, the industry specialist ...

We are able to supply Schneider Genie, Hawker Siddley Eclipse, and various other makes and types of indoor extensible High Voltage Switchgear. We hold stock of associated products ...

Our products include a range of live tank circuit breakers (up to 800 kV), dead tank circuit breakers (up to 550 kV), as well as hybrid and compact switchgear assemblies.

We offer Next Day Delivery on thousands of items and stock a wide range of products from trusted suppliers such as Schneider Electric, Siemens, ABB, and RS PRO. You'll also find our ...

We offer the largest selection in the industry, from the latest NSXm Moulded Case Circuit Breaker (MCCB) to the high-current Masterpact Air Circuit ...
