Our Solar Battery Guide will help you size your battery bank properly and keep things running smoothly by ensuring a well-designed system that protects your batteries.

Where can I buy a solar battery rack & enclosure?

NAZ Solar Electric carries high-quality racks and enclosures for your batteries. We stock a wide range of sizes to fit your specific needs. We carry racks and enclosures from a number of manufacturers such as Simpliphi, Outback, and Midnite Solar. Shop our selection to find the one that right for your power system. Pay over time with Affirm.

How do you transport a solar battery enclosure?

Lifting eyeshelp transport your enclosure if it is too big for casters, which may be the case with free-standing solar battery bank enclosures. Casters provide another way of making the enclosure portable, which is great for a solar battery cabinet. Solar battery enclosure with casters

What is an underground solar battery enclosure?

Underground solar battery enclosures are hidden underground to save space and landscape. These battery enclosures are watertight, resist dust and dirt which is standard for solar battery enclosures. However, underground solar battery boxes are thermally stable, and protect the environment from toxic battery leakage.

Our battery enclosures can be pole-mounted or ground-mounted and are suitable for indoor and outdoor applications. If you are not sure which ...
