Does the Solar Energy Technologies Office provide financial assistance?

The Solar Energy Technologies Office (SETO) does not provide financial assistance to companies or individuals to install solar systems. The federal programs below may provide financial assistance to lower energy costs and may be applied to solar.

Who will receive a \$7 billion solar grant?

Washington - Today, April 22, as the Biden-Harris Administration celebrates Earth Day, the U.S. Environmental Protection Agency announced 60 selectees that will receive \$7 billion in grant awards through the Solar for All grant competition to deliver residential solar projects to over 900,000 households nationwide.

Will the Solar for all program affect the solar industry?

The US Environmental Protection Agency has cancelled the Solar For All program, a \$7 billion initiative that supported nationwide programs to provide solar energy for low and middle-income homeowners, which experts say may negatively affect the solar industry in general.

What is the Solar for all grant program?

The Solar for All grant program awarded 60 non-profit, state-wide and multi-state initiatives to "create new or expand existing low-income solar programs". "There's less money for intentional design around renewable energy";
