How much does it cost to store a car?

The average cost of car storage is between \$45 and \$450 per month. It's important to consider this range of options if you work nights, weekends, or have a rotating schedule to ensure you always have access to your vehicle when you need it.

Where can I store my rig if I'm not driving?

If you have a vehicle you won't be driving for a while, store it in one of our covered spaces or in an enclosed storage unit. We have open and covered parking spaces for bigger rigs, plus ground-level storage units in which to store small teardrop trailers, casitas and Airstreams.

Where can I store my rig?

We have open and covered parking spaces for bigger rigs, plus ground-level storage units in which to store small teardrop trailers, casitas and Airstreams. If your truck is your office, workshop and livelihood, keeping it overnight in a fenced storage area instead of on the street can be a very good investment.

Can I rent a car at Public Storage?
