---

The Solar Base Station is a turnkey unit that comes complete with a 15 watt solar panel and built-in 10,000mah Lithium-ion battery so you can put it ...

HWAP80 outdoor high-power base station AP can cover a wide area of 600 meters, can easily meet the wide coverage requirements of outdoor WIFI projects, and ...

Optimize your network with cutting-edge outdoor ap base station that enhances connectivity, boosts efficiency, and ensures reliable communication across vast distances.

This system features a durable aluminum enclosure, making it suitable for outdoor use and capable of withstanding extreme weather conditions. With its lead acid battery technology and ...

This system features a durable aluminum enclosure, making it suitable for outdoor use and capable of withstanding extreme weather conditions. ...

Ventev's Wi-Fi Solar System is a complete, fully-integrated ...

An Outdoor Photovoltaic Energy Cabinet is a fully integrated, weatherproof power solution combining solar generation, lithium battery storage, inverter, and EMS in a single cabinet. It ...

Solar light with charging station and outdoor wifi access point from SELS Solar, experts in solar solutions. Call (704) 495 ...

Solar light with charging station and outdoor wifi access point from SELS Solar, experts in solar solutions. Call (704) 495-3535 to discuss your project.

The Solar Base Station is a turnkey unit that comes complete with a 15 watt solar panel and built-in 10,000mah Lithium-ion battery so you can put it right to work!

The AP 13 features integrated antennas, while the AP 13E supports external directional or omnidirectional antennas for more flexible coverage. Both models support up to 96 active ...

With a rising need for mesh networks and wireless access points, we have engineered and built a portable wireless access point that is powered 100% using solar electric energy with battery ...

Ventev's Wi-Fi Solar System is a complete, fully-integrated power enclosure system that is pre-wired and pre-assembled for on-site installation of outdoor access points requiring PoE/PoE+ ...

HWAP80 outdoor high-power base station AP can cover a wide area of 600 meters, can easily meet the wide coverage requirements ...

Solar Powered System for PoE+ Wi-Fi Access Points. Our solar systems arrive pre-wired and pre-assembled for on-site installation of outdoor access points.
