---

BKH series UPS single cabinet power range 20kVA up to 600kVA can be customized depending on loads and can support 4 units in parallel. Production capability has a max capacity of 2.4MVA.

BKH Series Three phase Modular UPS BKH series modular UPS is Baykee featured highly reliable modular online UPS, efficiency up to 96%, reach the international level UPS energy ...

Baykee three phase modular online industrial UPS system offers 30kva to 150kva power, low frequency, and overvoltage protection. Ideal for security and monitoring. | Alibaba

Capacity:Modular Online UPS 10KVA-120KVA;Display:LCD+LED, Touch screen and keyboard;Battery mode:intelligent battery management ...

At Baykee, highly durable, credible, versatile, much safer, and energy-efficient Uninterruptible power supply systems that require little to no ...

Capacity:Modular Online UPS 10KVA-120KVA;Display:LCD+LED, Touch screen and keyboard;Battery mode:intelligent battery management system.;Inverter:IGBT inverter;DC ...

Voltage range: 291-492v (line-line) full load frequency range: 30Hz-80Hz (Auto detect) THDi: <3% Power factor: 0.995 Bypass range: -10%~10% (can customized -10%~-30%,+10%~20%) ...

Integrated and packaged IGBT instead of discrete device to greatly enhance the reliability of power module and UPS system. Front panel for easy maintenance, inlet wire from top to ...
